GONDOLA OPERATOR

Why join us?

We work and play in Canada's most beautiful playground, Banff National Park, and you can too. Sunshine Village is the premier ski resort in Western Canada. If you want to be part of making our guests' ski experience unforgettable and think a winter season skiing and riding on the best powder in the Rockies would be great too, then read on...

What's in it for you?

- A ridiculously cool life experience
- Free ski pass for Sunshine Village and super deals at other resorts
- A plethora of lively staff events all season long
- Marvelous discounts on ski gear, food & drinks and transportation.

What can you expect?

Gondola Attendants provide an outstanding experience for our guests. Our gondola ride lasts 17 minutes and stretches about 5km up the mountain. It transports guests from the parking area to the village. Gondola Attendants scan lift passes and safely load/unload guests and their equipment from the gondola cabins in a fast-paced environment. Answering guest queries and moving freight on and off the cabins is an integral part of this position. This is a physically demanding position requiring manual labour, heavy lifting, and primarily operates outside in all weather conditions.

This job might be right for you if you think you would really enjoy:

- Helping our guests use onto the gondola safely
- Being a mean snow removing machine
- Working in the great outdoors (it's cold!)
