Snowmaker

Why join us?

Known as one of the most stunning alpine settings in the Canadian Rockies, and ranked the #1 day hike in Canada by Lonely Planet, Sunshine Meadows offers visitors unparalleled views. As spring turns into summer the meadows are in full bloom and ablaze with colourful wildflowers, setting off jaw-dropping views of surrounding peaks, including Mt. Assiniboine, “the Matterhorn of the Canadian Rockies.”

What can you expect?

The abundant amount of natural snowfall at Sunshine Village is often unpredictable so we prepare our snowmaking program to assist at the Village area- around the loading areas for chairlifts and carpets and a small blanket on Bourgeau Trail from Curve Station to the bottom to aid in safety for the skiing public. In conjunction with the Lead Hand the incumbent will be responsible for start-up and shut down of snowmaking operations. Focus will be on making the best quality snow with the limited amount of water allotted.

This job might be right for you if you think you would really enjoy:

- Making snow! This involves using pumps, snow guns, hoses and electrical connectors.
- Charlie-Tango-Alfa-Foxtrot – using radios for communication, 10-4
- Ensuring and maintaining a safe working environment
- Liaising with the Senior Slopes Supervisor and Lead Hand when required
- Working in the great outdoors (it's cold!).

What's in it for you?

- A ridiculously cool life experience
- A plethora of lively staff events all season long
- A chance to enjoy the alpine vistas
- A summer experience that is outstanding!

What you need to know (this is a very important bit):

Start Date: Mid November
(Weather Dependant)

Term: Seasonal, 3 months
max

Accommodation: Upon
Availability
