LEGEND

1 STANDISH VIEWING DECK LOOP 0.7 KM / 0.4 MI

Approximately 15-30 minunte round trip
Elevation Gain: 23 m / 75 ft.
Elevation Loss: 23 m / 75 ft.

Start by taking the Standish chairlift. Walk to the viewing deck and back to the chair. A beautiful loop that gives you 360-degree views over the mountains, meadows and our three alpine lakes.

2 ROCK ISLE ROAD 3.3 KM / 2.1 MI

Approximately 1-2 hour round trip
Elevation Gain: 32 m / 105ft.
Elevation Loss: 270 m / 886 ft.

Start by taking the Standish chairlift. Walk to the viewing deck, enjoy the 360-degree views of the three alpine lakes before you descend down toward Rock Isle Lake for a close-up view. From here, follow Rock Isle road back to the village.

3 TWIN CAIRNS – MEADOW PARK 5.2 KM / 3.2 MI

Approximately 1.5-2.5 hour round trip
Elevation Gain: 84 m / 276 ft.
Elevation Loss: 202 m / 663 ft.

Start by taking the Standish chairlift. Walk to the viewing deck, enjoy the 360-degree views of the three alpine lakes before you descend down to the meadows to the Twin Cairns Junction. Follow the trail to the Monarch Viewpoint and here you will get a stunning view of the Monarch Ramparts. From here, follow Meadow Park Trail back to the village.

4 GRIZZLY/LARYX LOOP 7.5 KM / 4.7 MI

Accessed via Route 1 or 2 & 3.
Approximately 2.5-3.5 hour round trip
Elevation Gain: 185 m / 607 ft.
Elevation Loss: 403 m / 1322 ft.

Start by taking the Standish chairlift. Walk to the viewing deck, enjoy the 360-degree views of the three alpine lakes before you descend down toward Rock Isle Lake for a close-up view. Keep right towards the Grizzly-Laryx loop trail. This route takes you through beautiful flower gardens and past all three alpine lakes. After the loop, follow Rock Isle Road back to the village.
